HOIST BY HIS OWN PETARD

A doctor at Portland, Oregon, took to auch electricity while practicing what called magnetic healing, and now he is su fering from paralysis of the lower extr ties. He used to wear shoes with plates the soles of them, and stand on metall plates underneath which there was an ele tric battery, and as the current purse through him he transmitted it to his p tients by the laying on of hands, clair of course, the power was within him and not from a battery.

MOVES ON The Barber County Index says that the St. Louls, Ft. Scot and Wichita railway company have asked for and had appointed by Judge C. E. Ellis, district judge, C. J. Lovejoy, Geo. C. Smith and Jack Sparks as right of way commissioners to lay off route, right-of-way, depot grounds, etc. St. Louis, Ft. Soot and Wichita railwa for said company, through Barber county as per location by said company, from the cast line of said county to some point at or near the line of the Indian territory south the subject, and quite an interesting time the subject, and quite an interesting time to the subject and some montally in of New Kiowa. The commisseoners give notice that they will meet on September latitude and longitude, also in some other the point where said line enters the county and there begin the work of sondemnation.
